

**Dates for wire 2012 and Tube 2012 in  
Düsseldorf now fixed: 26 to 30 March 2012**

After the two world-leading fairs wire, International Wire and Cable Trade Fair, and Tube, the International Tube and Pipe Trade Fair, came to a successful close the new trade fair dates for 2012 have now been set:

26 to 30 March 2012 will see the two fairs for the wire, cable and tube processing industries held at Düsseldorf Fairgrounds already for the 13th time now.

In 2010 69,200 trade visitors came to Düsseldorf from over 100 countries to gather information on the latest technologies and applications from the over 2,400 companies exhibiting here.

1,219 exhibitors came to wire to present their current machinery, plants and equipment for the production and processing of wire and cable. New materials and innovative manufacturing technologies for tube and tube processing were presented by the 1,181 companies exhibiting at Tube 2010.

Constantly updated information for exhibitors, visitors and press representatives can also be found in the periods between fairs on the two web portals: [www.wire.de](http://www.wire.de) and [www.Tube.de](http://www.Tube.de).
